Oct 14, 2017 I contacted the support line, they stated that I had to use an iLok key, and that users can upgrade their software to version 10 without an iLok key, which is what I wanted to do. I purchased a new iMac with a 2011 version of windows so i could use the pro tools 10. I had to install some sort of visa payware called oem or windows mobile pro because I found both my versions of windows 7,8,8.1, and win 10 to be unable to activate the pro tools 10 for some reason. I was just wondering if anyone else has had this issue and what he or she did to get the program to work. pro tools 10 crack without ilok drivers Aug 6, 2019 Based on this Post a user may be able to use the "Offline Activation" listed on the iLok website (My iLok has not listed) .
